

## BLITZ HOT

Diesel driven hot water high pressure washer. Top efficiency for intensive professional use. Used in situations where is required great power together with the decreasing efficiency of hot water, in absence of electricity. The Blitz Hot is particularly indicated in the construction industry and in agriculture.

- Powered by Lombardini engine
- Air cooled diesel engine 15LD440/15LD4401
- Setting 10HP / 7.4KW at 3600RPM
- Self-winding start and 12V electric start
- Cylindrical shaft / 30Amp alternator
- Dry air filter
- 12V high efficiency vertical stainless steel AISI 430 boiler , diesel fired, with refractory cement base
- Galvanised steel chassis with 24ltr fuel tank
- Triplex pump with ceramic plungers connecting rod system
- Brass head pump
- Pressure regulator with built in detergent suction
- Fuel, water and detergent filters
- Pressure gauge and thermostat
- Safety valve
- Steam valve
- Fuel drain valve

### Standard equipment

*Gun  
Lance  
Nozzle  
10m HP hose with  
screw coupling*

CODE	BLITZ HOT	MAX PRESSURE		FLOW RATE	POWER	RPM	WATER TEMP	WEIGHT	DIMENSIONS
